

School Health Advisory Council (SHAC)

Membership Application

School Year: 2020-2021 and 2021-2022 Term

The SMCISD School Health Advisory Council (SHAC) is seeking 7 new members for the **2020 -2022** term. Parents, guardians and community members play a vital role in our district-wide implementation of our coordinated school health program. This a 2-year term commitment. Council members are critical for recommendations, proposals or action items and working group participation as well as votes conducted during our 4 annual SHAC meetings.

What is a SHAC?

According to the Texas Department of State and Health Services (DSHS), “a SHAC is a group of individuals representing segments of the community, appointed by the school district to serve at the district level, to provide advice to the district on coordinated school health programming and its impact on student health and learning. The SHAC will assist the district in ensuring that local community values are reflected in the district's health education instruction.”

Benefits of having a SHAC:

- SHAC addresses the health needs of students, helps meet district performance goals and alleviates financial constraints.
- SHAC plays an important role in communicating the connection between health and learning to school administrators, parents and community stakeholders.
- SHAC can help parents and community stakeholders reinforce the health knowledge and skills children need to make healthy choices for a lifetime.

Applicant Note:

- For applicant consideration, all applicants must have already completed a background check per the SMCISD guidelines found here: <https://www.smcisd.net/Domain/456>
- Please know that completion of the application does not guarantee membership. There are a limited number of positions and candidate interviews may be required. All members will be approved by the SMCISD Board of Trustees. May 18, 2020 8 a.m. -9 a.m.
- New SHAC Member Orientation 8- 9 a.m.
- 9-11 a.m. SHAC Strategy Planning for new year, set calendar
-
